

PERMISSION TO USE IMAGE

Dear Parents/Guardians:

Please complete the form below to grant GIFS permission to include your child's image in print publications, photographs, art, online materials, and videos by the school, local newspapers, and media outlets.

During the year, GIFS students are photographed often as they participate in events, work in classrooms, play, etc. Sometimes, class activities are videotaped.

We often wish to use these in a variety of ways including newsletters, on the school website and Facebook, as photos in promotional brochures, or other publicity materials.

Occasionally, reporters and photographers from local newspapers visit the school. They, too, wish to use photos or videos of our students.

Please consider your willingness for GIFS to use your child's image and check the appropriate space below.

CHECK ONE ONLY –
